

**Erving Board of Health  
Regulations for Tanning Facilities  
SUMMARY**

The Erving Board of Health, acting under the authority conferred by M.G.L. c.111, §31 , 105 CMR 123.00, and Title 21 of the Food and Drug Administration, has enacted the following regulations governing the operation of any tanning facilities in the Town of Erving:

The Board of Health requires that any owner/operator of a Tanning Facility complete an application for such business on a form provided by the Board of Health, and submit the fee of \$25.00 for the license for one calendar year.

The License shall be issued by the Board or the Board's Agent(s) after an initial approved inspection, and inspections of the facility shall be made every 6 months thereafter, as per the regulations in MGL 105 CMR: 123:000. Non-compliance with the prevailing local, state, and/or federal statutes or regulations shall be cause for revocation of said license.
