Johnson and Putala 2019 Erving Elementary PTO Scholarship Winners

Congratulations to Avery Johnson a recent graduate of PVRS and to Jack Putala who is a recent graduate of TFHS. They were both chosen as 2019 recipients of the Erving Elementary School PTO scholarship. Avery will be attending Mount Wachusett Community College in the Fall and then plans to transfer to Fitchburg State to complete her degree in nursing. Jack will be attending UMASS Amherst in the Fall to pursue a career in the engineering field.

Scholarship recipients were chosen based on academic performance, citizenship and school/community involvement. Thank you to all who applied. We would like to commend the recipients on their academic accomplishments and encourage them to continue to set high goals for themselves and to strive for excellence. Congratulations on a job well done and we wish you the best of luck in college, your careers and beyond.

The Erving Teachers’ Association is pleased to announce that Jack Putala is this year’s recipient of the ETA scholarship. We wish Jack and all of the other graduates success in their future studies and adventures!
Fundraising for New Library Building

By Barbara Friedman

The Fundraising Team was formed just a few months ago but their enthusiasm and the support of Erving residents and others has met with continuing success towards its goal of raising $50,000 privately for the new library. The fundraisers (flowers, bath salts, garden workshop, Red Sox raffle, Savory Suppers, the art night) have seen great participation.

Not only were these events monetarily successful but they were fun and community building. Nearly half of the money raised has come from these events.

The Fundraising Committee is made up of Erving residents, several who also serve on the Building Committee:

Marcia Bernard, Jacquie Boyden, Sara Campbell, Holly Fitzpatrick, Rob Fletcher, Teresa Foster, Rebecca Hubbard, Rupert Roy-Clark, Phyllis Stone and the Library Director, Barbara Friedman

All Donors Count

Monetary donations from $25 to $2000 have been received. Six donations have been of $1000 or greater. Larger donation of $500 or more will be recognized in the new library. A recognition plaque has not be designed as yet. Those who are able to make these large donations in honor or in memory of individuals or who are interested in donating a room should contact the Library Director, Barbara Friedman barbara.friedman@erving-ma.gov or the Library Board of Trustees library.trustees@erving-ma.gov

The Trustees are Mackensey Baily, Rupert Roy-Clark and Daniel Hammock

Large donations and fundraising efforts have reached over 20% of the goal.

Other Library Funding Updates

Eduporium Grant of $500 received

Erving Public Library was chosen as the recipient of an Educational Technology Grant! Library Assistant Jean Daley applied for the grant to add to her expanding STEAM (Science Technology Engineering Arts Math) programming offered on Wednesday afternoons for children in Grades 2 to 6. Eduporium was “impressed by your [Jean’s] dedication to exposing students in the library… to real-world, experiential learning experiences with a goal of higher learning in STEAM. We see the great long-term value of this project and are truly excited to play a part in its development.” Jean hopes to use the program to increase robotics experiences.
Library Funding Updates continued

Erving Library receives grants to reduce cost of C/W MARS Membership

$2500 SLIN Grant, minus Cap Adjustment $1,181.00

The Erving Library pays a membership fee to provide residents with an online catalog, a shared library card, digital resources and other services. The yearly fee is $6103 (each library is prorated according to population size and rate of circulation).

Your Library Construction Update (July 9th)

By Nick Jablonski

- The framing is roughly 80% complete. The Interior walls are currently being framed.
- Installation of the roof panels has begun.

- The air vapor barrier (AVB) at the exterior plywood is scheduled to begin. After the AVB is installed the insulated panel installation will begin.

- The duct bank for primary service and tel/comm has been installed from the telephone pole to the transformer pad. The tel/comm lines are temporarily capped just east of this location and will be extended. Both pairs of conduits have been encased in concrete and backfilled with the exception of the final 30 feet to the light pole.

- The conduit for the generator is in place. Additional conduit for the site lightning and PV array are partially complete. This will be finished once the water infiltration system at the parking lot is installed in 2 to 3 weeks.

For more information see the Library’s Facebook page and the Town of Erving’s website for more current updates

Welcome Baby
Free Gift and Resource Tote Bag from Union #28 Community Network for Children

The first days and weeks at home with a new baby are among the most joyful—and overwhelming—you'll experience as a parent. Welcome Baby visits are a comfortable and comforting way for parents to connect with an early childhood expert and get information that you can use with your new baby and his or her siblings. Welcome Baby Tote Bags are free and made possible by funding from the Massachusetts Department of Early Education and Care Coordinated Family and Community Engagement grant serving our five communities.

For more information and to schedule a visit for you and your baby, please contact us.

Your free gift bag is delivered by an early childhood expert who can help answer questions about your baby's development and other concerns, such as feeding, sleep issues, child care, going back to work or coping with a fussy baby and helping siblings adjust.

To arrange your Welcome Baby visit, call Gillian Budine, CNC Coordinator: 978-544-5157 or email budine@erving.com

Dear Families and Friends of Erving Elementary School,

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Erving Elementary School. As the new Principal of Erving Elementary School, I am both excited and honored to become a member of this great school community. Over the past few months I have had the opportunity to learn about the school from leadership, staff, parents, and students. I am humbled by a shared purpose which has guided my own leadership: a relentless commitment to putting children at the center of our work in education.

I have been dedicated to the field of education for more than twenty years with experience working as a classroom teacher and math specialist in Danbury, CT, Curriculum/Professional Development Coordinator and most recently as the Principal of Ware Middle School in Ware, MA for the past three years. I am thrilled to bring my skills as an educator to Erving Elementary School and to work with you as a partner in education to ensure your child’s success.

Along with teachers and staff, I will work hard to continue the legacy of success established at Erving Elementary School by building strong relationships with parents, students, and community partners. During the course of the year, it is my hope that we will work together to provide the students of Erving Elementary School the best possible opportunities in preparing them to be world class citizens ready to master the challenges of the 21st Century with a solid foundation created here at our school.

In closing, please know that my door is always open to you. I heartily welcome your conversation and positive input throughout this year. Let us always keep our students the primary focus of our work. I look forward to celebrating our collective successes during the 2019-2020 school year.

Sincerely,

Lisa Candito
Principal
Colors and Designs:
The Knox Homebox is available in three colors. They are available in Antique White, Linen and Dove. The boxes are also available in two different designs, one being the door hanger, and the other a wall mount with or without a faceted backplate. Both look great and are of very rugged construction. The boxes will come with a set of keys which are made to our towns individual lock set. The Fire Department is willing to install either box at your home, at no charge to the resident. Pictured below are the different designs:

Contact Information

To inquire further about getting a box installed in your home or business contact us at the numbers listed below, or simply stop by one of our stations and chat with us!

Extension 1221

EFD Station 1-12 East Main Street
(Next to Town Hall)
EFD Station 2-18 Moore Street
History Of Our Program:

Erving Firefighters first discovered the Knox Homebox while reading an issue of Firehouse Magazine. A department in Ohio had a program put in place using the boxes to guarantee entry into a home in the event of an emergency. We were able to purchase 8 boxes through a grant we received from the Department of Fire Services. We plan to build out our program every year until we have reached the needs of all of our residents interested in a Homebox. We will be working in a process of elimination manner to get the boxes to residents in need, going from folks who have severe physical disabilities to those with lesser ailments.

Benefits of having a Knox Homebox:

➢ Allows emergency responders to enter the home quickly to provide assistance
➢ Reduces forcible entry property damage
➢ Reduces risk of injury to responding personnel
➢ Makes re-securing property easier and faster
➢ Utilizes same master key in local municipality
➢ One time purchase with no monthly monitoring fee for end users

How to Obtain a Box:

If the Fire Department has not reached out to you, you may be put on a waiting list until one is available, or you are welcome to purchase one for your home on your own. The cost for the boxes ranges from $167-$183 depending on the style you want. When purchasing a box, be sure to specify what town and state you reside in, so the Knox operator will be able to provide the correct lock for your individual box. Members from our department will be available to help you through the process if necessary.
