Town of Erving

MGL Chapter 30B- Surplus Equipment Bid

In accordance with Massachusetts General Law (MGL) Chapter 30B, the Town of Erving has deemed the following equipment surplus and is making it available to the public for bid:

Bid Number	Equipment	Description
FY2023-SUR-07	DVD Blue Ray Home Theater System	One (1) DVD player; model HBN N5200w 2007
FY2023-SUR-08	Epson LCD Projector	One (1) Epson LCD Projector; model H561A Powerlite 2030
FY2023-SUR-09	Projection Screen and Surround Sound Equipment	One (1) electronic projection screen and associated surround sound equipment
FY2023-SUR-10	Foosball Table	One (1) foosball game table
FY2023-SUR-11	Ping Pong Table	One (1) ping pong table, folds when not in use

Bid Website: www.erving-ma.gov/bids

Bid Process and Additional Information

Owner: Town of Erving, 12 East Main Street, Erving, MA 01344

Bid Closing Date: Tuesday, June 20, 2023 at 3:00 PM

Submission Requirements: Bids are to be submitted in writing on the provided form, in a sealed envelope with the appropriate bid number written on the envelope. Submissions should be delivered to: Town of Erving, Attn: Chief Procurement Officer, 12 East Main Street, Erving, MA 01344.

Location & Method of Inspection: Inspection of equipment may be done (1) photographically at the web address above.

Terms & Condition of Sale: This equipment is being sold in "as is" condition. No warranties are expressed or implied. The Town of Erving reserves the right to reject any and all bids. The equipment will be sold to the highest bidder at the close of the above referenced bid period.

The equipment must be picked up in fifteen (15) days of the close of the bid. The Town of Erving reserves the right to repost the equipment after the established pick up time period has expired. Payment can be made by a certified check to the Town of Erving, Massachusetts, submitted in person at the time of equipment pickup.

TOWN OF ERVING NEEDS YOU!

The following Boards and Committees have vacancies:

- **Cultural Council – (One vacancy)**

Cultural Council members are appointed. The local Cultural Council supports public programs that promote access, education, diversity and excellence in the arts, humanities, and interpretive sciences in communities across the Commonwealth. Local decision-making is an integral element of this system. Local councils have the right and responsibility to award grants that address cultural needs specific to their communities, and they can decide how to distribute funds if the state policies outlined in these regulations and supplementary guidelines are followed. They meet 2-4 times per year.

- **Planning Board Alternate**

Planning Board Members are elected, but the alternate is an appointed position. The Planning Board is charged with overseeing and guiding development in the community. The Planning Board reviews permit applications for subdivisions and some special permits, and it is designated as the authority for Site Plan Review permits.

- **Council on Aging – (Three vacancies)**

Councils on Aging & Senior Centers provide support services to elders, families, and caregivers in the community. As a local agency, the Councils on Aging & Senior Centers serve as an elder advocate, offers services, and activities for elders. Council on Aging offerings may include: Outreach, Transportation, Meals (congregate or home delivered), Health screenings, Health insurance counseling, Socialization, Fitness, wellness and recreation activities, Life-long learning. They serve as a link to and support for elders. Each Council on Aging determines its own priorities based on local needs and resources. Senior centers are a welcoming place for older adults who wish to remain independent in their community.

- **Zoning Board of Appeals (One vacancy)**

The ZBA is charged with making zoning text and zoning map interpretations, to hear appeals of administrative decisions, and to grant variances from ordinance standards where there is practical difficulty or unnecessary hardship meeting ordinance standards.

These are volunteer positions. If you've been asking yourself "*How can I be a help to my community?*" and/or you'd like to be a part of something new, or return to something you've done previously, please email a letter of interest to volunteer@erving-ma.gov or via mail to *Town of Erving, ATT: Bryan Smith, 12 East Main Street, Erving, MA 01344.*

June 2023 Updates From the Town Planner

Church Street Bridge

Our engineers are working with MassDOT on design approval to be eligible for funding. In May, a neighborhood conversation about traffic and speeding on North Street was held to identify concerns and discuss potential improvement measures which could be implemented before or after bridge construction.

Former IP Mill

A community discussion regarding tax override funding options for the demolition of the Former IP Mill was held in April. Thank you to everyone who came out to share your thoughts! The Select Board, Finance Committee, and Capital Planning Committee continue to discuss next steps.

French King Bridge

The safety barriers on the north side of the bridge have been completed and work has commenced on the south side.

Senior Housing

The Senior Housing Committee hopes to release a Request for Proposals for senior housing behind the Library and Senior Center

Swamp Road Bridge

After many months of researching property deeds the feasibility study continues to move forward with soil borings and surveying work.

Wheelock Street Culverts

We received a grant to upgrade two culverts on Wheelock Street. Work began in May and will continue into the summer.

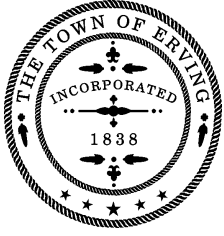

Zoning Bylaw Update

The Planning Board has been diligently working with an attorney to draft updates to the Town's Zoning Bylaws. One public hearing was held in April, a few more changes were made and another public hearing is scheduled for June 15 at 7PM at the Library.

Best,

Mariah Kurtz, Town Planner

Website: www.erving-ma.gov

NOTICE REGARDING FY 2024 PRELIMINARY TAXES

Taxpayers of Erving: The Town of Erving recently adopted, at its annual town meeting on May 11, 2022, a new semi-annual preliminary tax payment system to take effect for July 1, 2023. The information below explains how this new system will work.

How Preliminary Tax Payments System Will Work

Under the preliminary tax payment system, you will be sent a preliminary tax bill each year by August 1. Your preliminary tax will be based on the adjusted net tax owed (including any betterment, special assessments and other charges added to the tax) on your property for the prior fiscal year and as a general rule will be no more than half (50%) of that amount. Your preliminary tax will be payable in a single installment due on October 1.

Example: If your Fiscal Year 2023 tax was \$2,000 and you were granted an abatement of \$400, your FY2023 net tax due was \$1,600. Your Fiscal Year 2024 preliminary tax would in most instances be no more than \$800. This \$800 would be payable in a single installment due on October 1, 2023.

If for some reason preliminary tax bills were mailed after August 1, you would have until November 1 (or 30 days after the bills are mailed, if later) to pay the entire \$800.

Your actual tax bill will then be sent to you on or about December 31. This bill will show the assessed valuation of your property, the tax rate, and the amount of property taxes you owe for the fiscal year, including any betterment, special assessments or other charges that are added to the tax. The tax bill will also show the amount of the preliminary tax billed earlier as a credit against your actual tax for the year. The balance of your tax must be paid by April 1.

Example: If your actual Fiscal Year 2024 tax bill is \$2,100 and you had previously been billed \$820 in preliminary taxes for the year, you would have a remaining balance of \$1,280. This \$1,280 balance would be payable on April 1, 2024.

If for some reason actual tax bills were mailed after December 31, you would have until May 1 (or 30 days after the bills are mailed, if later) to pay the entire balance of \$1,280.

Late Payments

Under the preliminary tax payment system, interest on late tax payments will be charged for the number of days that the payment is actually delinquent. For example, if the actual tax is due on April 1 and it is not paid in a timely manner, interest will be charged from that date until the date the payment is made.

Abatement Applications

Under the preliminary tax payment system, abatement applications for real and personal property cannot be accepted by the Board of Assessors until the actual tax bill has been issued. The abatement application will be due no later than April 1st. Please note that the Erving Board of Assessors does not accept electronic copies of abatement applications. They must be the original form and have an original signature.

Exemption Applications

Under the preliminary tax payment system, exemption applications may be accepted by the Board of Assessors Office after July 1st but will not be processed until the actual tax bills have been issued. They will be due no later than April 1st. Please note that the Erving Board of Assessors does not accept electronic copies of exemption applications. They must be the original form and have an original signature.

If you have any questions regarding preliminary tax billing, please contact Tax Collector Michele Turner at 413-422-2800 ext. 1104 or Principal Assessor Jacquelyn Boyden at 413-422-2800 ext. 1107.

ERVING ORAL HISTORY PROJECT

The Erving Historical Commission is ready to launch recording sessions of citizens willing to contribute to a voice bank to preserve memories of residents past and present.

Do you have stories about Erving's past or modern-day times you'd like to share? We'd like to give Erving residents the chance to fill in the gaps of history that may not be documented in the town's records.

Please contact the Commission at historical@erving-ma.gov or see one of the members listed below. We'd love to hear from you!

JUNE AND JULY 2023 GALLERY FEATURING
SALLY DELANEY ARTISAN
ERVING LIBRARY during library hours

Wreaths, Spherical Wreaths, Centerpieces. All items designed and created by Sally

All items are for sale.

A reception will be held July 16th from 2:30 to 4 p.m. Coffee, tea, and other light refreshments will be served. I hope to see you there. *Sally*

ERVING WATER DEPARTMENT PWS #1091000

2022 CONSUMER AWARENESS REPORT

INSIDE THIS ISSUE:

Consumer Awareness	1
Federal and State Requirements	2
Contaminants	2
Health Terms & Abbreviations	3
Test Results	2/3

Special Points of Interest

- Our drinking water is safe and meets both Federal and State Regulations.
- Erving Water Department has delivered excellent water and services to you over the past year.
- Information about contaminants and health effects can be obtained by calling the EPA's Safe Drinking Water Hotline at 1-800-426-4791.

WATER SOURCES AND SYSTEM OVERVIEW

We're pleased to present to you, this year's Consumer Awareness Report for our monitoring period Jan. 1, 2022 to Dec 31, 2022. We want to keep you informed about the excellent water and services we have delivered to you over the past year. Our goal is and always has been to provide you a safe and dependable supply of drinking water.

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radio-active material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water before we treat it include:

Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.

Inorganic contaminants, (such as salts and metals) which can be naturally-occurring or result from urban storm-water runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming. Pesticides and herbicides may come from a variety of sources such as agriculture

and residential uses.

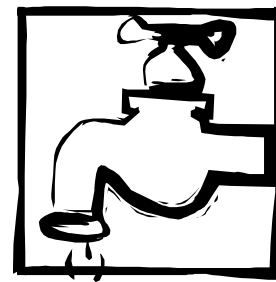

Radioactive contaminants are naturally occurring.

Organic chemical contaminants including synthetic and volatile organic chemicals. These are by-products of industrial processes and petroleum production. They can also result from gas stations, urban storm-water runoff, and septic systems.

Groundwater is the source for the Erving Water Department. Well #1 is located off of River Road, which is an aquifer formed by a deep, narrow buried river valley. This is an ancient location of the Connecticut River Valley (pre-glacial). The well and storage tank were constructed and brought on line in 1983 and was recently re-coated inside and out in the Fall of 2009. Many drinking water sources in New England are naturally corrosive (i.e. they have a pH of less than 7.0). For this reason, it is beneficial to add chemicals that make the water neutral or slightly alkaline. The Erving Water Department adds sodium hydroxide to its water to adjust the water to a non-corrosive pH.

The Water Department has a source Water Assessment Plan, a Well Head Protection Plan, and an Emergency Response Plan. In addition, Erving's Board of Health has adopted a floor drain regulation for the Zone II area of the well.

The Erving Water Department maintains a cross-connection and back flow testing and surveying program on an on-going basis. In our continuing efforts to maintain a safe and dependable water supply, it might be necessary to make improvements to our water system. The costs of these improvements may be reflected in the rate structure. Rate adjustments may be necessary in order to address these improvements.

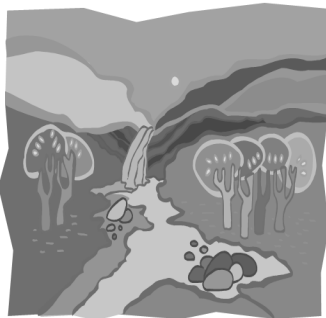

HEALTH TERMS AND ABBREVIATIONS

In the table you will find many terms and abbreviations you might not be familiar with. To help you better understand, we've provided the following definitions:

- ◆ Maximum Contamination Level or MCL: The highest level of a contaminant in drinking water. MCLs are set as close to MCLGs as feasible using the best available technology.
- ◆ Maximum Contamination Level Goal or MCLG: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- ◆ Non-Detects (ND) : Laboratory analysis indicated that the constituent is not present.
- ◆ Action Level (AL): the concentration of a contaminant which, when exceeded, triggers treatment or other requirements which a water system must follow.
- ◆ n/a: not applicable
- ◆ nd: not detectable at testing limit
- ◆ ppb: parts per billion or micrograms per liter
- ◆ ppm: parts per million or milligrams per liter
- ◆ pCi/l: picocuries per liter (a measure of radiation)

“MCLs are set at very stringent levels. To understand the possible health effects described for many regulated constituents, a person would have to drink two (2) liters of water everyday at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.

NEWLY REVISED FEDERAL LEAD AND COPPER RULE

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. The Erving Water Department is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

PFAS

Erving Water Dept. has conducted three rounds of PFAS Testing. All results were ND (not-detected).

WE HAVE MET THE REQUIREMENTS AND ARE PRESENTLY IN A REDUCED SAMPLING AND TESTING SCHEDULE, THIS INCLUDES FIVE SAMPLES FROM THE SYSTEM EVERY THREE YEARS.

	Date(s) Collected	90 TH percentile	Action Level	MCLG	# of sites sampled	# of sites above Action Level	Possible Source of Contamination
Lead (ppb)	9-24-21	0.00145	15	0	5	0	Corrosion of household plumbing systems; Erosion of natural deposits
Copper (ppm)	9-24-21	0.0856	1.3	1.3	5	0	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives

RESULTS ARE FROM September 2021 TESTING. THE LIKELY SOURCE FOR CORROSION IS HOUSEHOLD PLUMBING. 90% MEANS THAT FOR EVERY 10 TEST SITES, 9 ARE AT OR BELOW THAT NUMBER. ACTION LEVEL MEANS THAT THE CONCENTRATION OF A CONTAMINANT THAT, IF EXCEEDED, TRIGGERS TREATMENT OR OTHER REQUIREMENTS, THAT A WATER SYSTEM MUST FOLLOW.

Erving Water Department

PWS #1091000

12 East Main St.

Erving, MA 01344

413-422-2800 X 100

ERVING WATER DEPT. TEST RESULTS FOR 2022 DETECTION OF CONSTITUENTS

We routinely monitor for drinking water contaminants. In 2022 three routine monthly sampling showed the presence of Total Coliform bacteria. The system was chlorinated and the re-sampling showed no coliform bacteria.

DEP has prepared a Source Water Assessment Program (SWAP).

This report can be made available on our website at www.erving-ma.org

OR

<http://www.mass.gov/eea/agencies/massdep/water/drinking/source-water-protection-for-drinking-water-supplies.html#7>

Our system was assigned a susceptibility ranking of 'high' using the information collected during the assessment by MassDEP

All test results are available by contacting Erving Water Dept.
413-422-1200

Regulated Contaminant	Date(s) Detected	Highest Result or Highest Running Average Detected	Range Detected	MCL or MRDL	MCLG or MRDLG	Violation (Y/N)	Possible Source(s) of Contamination
Gross Alpha (pCi/L)	8-02-15	-0.118	N/A	15	0	N	Erosion of natural deposits
Radium 226 & 228 (pCi/L)	7-13-15	0.33	N/A	5	0	N	Decay of natural manmade deposits
Nitrate (ppm)	4-20-22	0.170	N/A	10	10	N	Runoff from fertilizer use; leaching from septic tanks; sewage; erosion of natural deposits
Barium (ppm)	5-21-20	0.034	N/A	2	2	N	Erosion of natural deposits

Most data in these tables are from Jan. 1, 2022 to Dec. 31, 2022. We monitor for some contaminants less than once per year. As a result, some of our data through representative, is more than a year old. For those contaminants the date of the last sample is shown in the table.

Unregulated and Secondary Contaminants	Date(s) Collected	Result or Range Detected	Average Detected	SMLC	ORSG	Possible Source
Sodium (ppm)	2022	19.2 - 66.6	42.9	N/A	20	Natural sources; runoff from us as salt on roadways; by-product of treatment process
Calcium (ppm)	2020	5.83 to 9.83	8.63	N/A	N/A	N/A
Chloride	8-17-22	19.0	19.0	N/A	N/A	N/A

Unregulated contaminants are those for which there are no established drinking water standards. The purpose of unregulated contaminants monitoring is to assist regulatory agencies in determining their occurrence in drinking water and whether future regulation is warranted.

FEDERAL AND STATE REQUIREMENTS

In order to ensure that tap water is safe to drink, the Department of Environmental Protection (MassDEP) and U.S. Environmental Protection Agency (EPA) prescribe regulations that limit the amount of certain contaminants in water provided by public water systems. The food and Drug Administration (FDA) and Massachusetts Department of Public Health (DPH) regulations establish limits for contaminants in bottled water that must provide the same protection for public health. All drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the EPA's Safe Drinking Water Hotline (800-426-4791).

CONTAMINANTS

Some people may be more vulnerable to contaminants in drinking water than the general population. Immune-compromised individuals (cancer patients undergoing chemotherapy, organ transplant recipients, people with HIV/AIDS or other immune system disorders), some elderly, and infants can be particu-

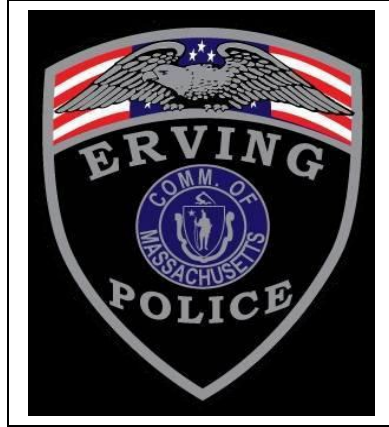

larly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbiological contaminants are available from the Safe Drinking Water Hotline, 1-800-426-4791. If you have ques-

tions about this report or concerning the Water Department, please contact Pete Sanders, system operator, at 413-422-1200. The Water Commissioners have regularly scheduled meetings on the first Monday of each month beginning at 7:00 p.m. at Erving Town Hall, 12 East Main Street.

In April our members spent extra time conducting radar operations in various locations throughout town. We appreciate the concerns shared by our residents during community events such as “Coffee with a Cop.” We look forward to dedicating extra time & effort to these requests.

May 5th Cinco De Mayo, we celebrated with our neighbors at Cielito Lindo in Gill. YUM!

Friendly Reminder

There's a secure medication drop box in the lobby of the station for your convenience.

April 22nd Erving P.D. took part in the DEA National Prescription take back day. Ofc. Barber & Ofc. Gordon monitored the collection at the police department. Then transported all collections to Northampton where all were weighed in & secured for destruction. Erving turned in 25 pounds of unused prescriptions.

MORE THAN 65,500 lbs COLLECTED SINCE 2011

GOT DRUGS?
Do you or your relatives have unused prescription drugs at home?

FREE COLLECTION
23rd NATIONAL PRESCRIPTION DRUG TAKE BACK DAY
SATURDAY
April 22, 2023
10 AM-2PM

You can also bring medications to a PERMANENT Drop Box location.

Drop Drugs at these Police Stations:
Amherst, Ashfield, Athol, Belchertown, Bernardston, Blackland, Cummington, Deerfield, Easthampton, Erving, Goshen, Granby, Greenfield, Hadley, Hatfield, Leverett, Montague, Northampton, Orange, Pelham, South Hadley, Southampton, Sunderland, Ware, Whately, Williamsburg
Simply bring them to your local police station and drop them in the MEDRETURN BOX.

Medications can remain in original containers with labels. NO Liquids, syringes, IV equipment, or chemotherapy drugs. Prescription and non-prescription drugs, vitamins and veterinary meds are accepted.

May is national bike month. Look for our officers patrolling on the department e-bike. This bike was donated by FirstLight. Ride Safe!

March 5 – 10 Ofc. Gordon & K9 Ziva joined 45 other k9 teams & all completed training at the Cape May County Sheriff's Office week-long man trailing seminar.

March 6-7 Chief Holst, Ofc. Barber & Ofc. Ziomek completed Adolescent Mental Health Training. This is designed to help members better identify & respond to students who are suspected of having mental health needs.

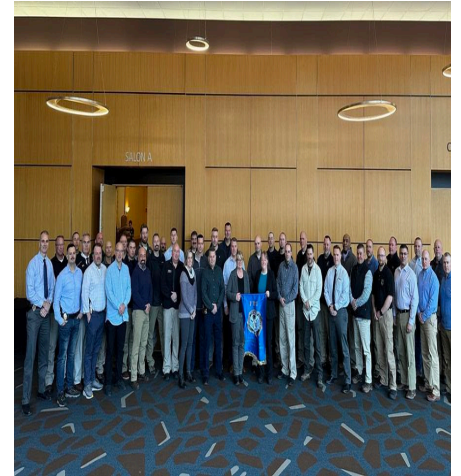

What's Up?

Erving Police Officers are very busy not only patrolling & serving your community but attending training. Officers attend yearly mandated training, & various training throughout the year & their careers. Here's just a small sample of what we've been up to lately.

May 6th Firearms Training

March 17th Sgt. Paicos completed week 2 of 3 of FBI LEEDA training. This training is geared toward developing & strengthening leadership qualities for individuals in supervisory positions.

April 4- 6 Chief Holst, Ofc. Gordon & Sgt. Paicos completed Servant Officer training. "The servant officer class give officers practical tools & ideas to help them not only become the best version of themselves but encourage & lead other in a positive way." Leaders Helping Leaders Network.

ERVING PUBLIC LIBRARY

June Event Details

WWW.ERVING-MA.GOV/LIBRARY

Friends of the Library: First Thu., June 1, 5:30 p.m. Public meeting of the Friends of the Erving Public Library. All are welcome. Join us in supporting the library!

Teen Movie Monday: Mon., June 5, 3:30 p.m. Enjoy free snacks, and chat with our Youth Services Librarian. For youth ages 11-19. Come by after school! Movie information is available at the library and on our website. Please note the change in date due to Memorial Day. This will be the last Teen Movie Monday for the Summer.

Afterschool Activities: Wednesdays, 1:30-3:00 p.m. through June 21. Come by after school for some fun activities at the library which may include story time for ages 2-7, scavenger hunt, coloring, and snacks! Teens (ages 11 and up) can visit the library on their own and hang in the Teen Room, use the computers, board games, and more.

Family Movie: Sun., June 4, 1:00 p.m. Bring the family to watch movies on the big screen in the library's Community Room. Popcorn provided. Movie information at the library and on our website. Dates for summer/fall TBD.

Puzzle Swap: Second Sundays, June 11, 1:00 p.m. Bring a puzzle to swap or select a puzzle to borrow. Puzzle selection ranges from 100 - 1000 pieces and includes a variety of themes. All ages are welcome. Brought to you by the Friends of the Library.

Board of Library Trustees: TBD date will be posted. Monthly public meeting. Open to all.

Craft Day with the Friends: Third Sundays, June 18, 1:00 p.m. Make a seasonal craft. Materials are provided. 10 spots available. Call to reserve your seat starting June 5th or call the day of to see if there is room. Hosted by the Friends of the Library.

Renaissance Jukebox: Thu., June 22, 5:30 p.m. Performing a program of 16th- and 17th-century lute songs paired with songs of the 20th and 21st centuries. Think of Taylor Swift visiting the Elizabethan courts and finding commonality with the songwriters of that time. Donald Cotter (voice), Meg Pash (viola da gamba, lute, voice) and Chris Stetson (lutes, mandolin), with guest artist Mitch Nelin (mandocello, voice).

****Book Club & Summer Reading Kickoff Pizza Party: Thursday, June 29, 5:30 p.m.** Sign up and start your summer reading by joining us for the 2023 Massachusetts Center for the Book Reading Challenge! Each month has a theme. In June we will each read "a book set in a country you've never visited". See the display at the library for book ideas and join us on the last Thursday of the month for discussion. RSVP suggested for the pizza party.

****This event doubles as a kickoff for the annual
Summer Reading Program which will run from June 29 - August 3, 2023.**

Special limited-edition color-your-own t-shirts for all summer reading participants!

★★★ **PLUS: Carrie Ferguson & the Grumpytime Club Band** ★★★

Concert with teenage musicians funded by the Erving Cultural Council!

The Grumpytime Club Band is a red and gold family music party band including costumed dancers. Playing original music from Carrie Ferguson's award-winning 2021 album, The Grumpytime Club, spent 2022 rocking fairs and festivals with their high-energy funky folk-pop. Featuring a shifting pallet of horn, violin, guitar, mandolin, keys, bass and drums, their music is highly danceable and truly fun for all ages, highlighting themes of inclusivity, social justice, Earth stewardship and LGBTQ youth/family pride. ★★

Presented by Erving Police Department

**Thursday, June 8, 5:30 pm to 6:30 pm
At the Erving Public Library**

**Bring your 9 to 12 year old kids
taught by Officer Gordon**

**This program prepares kids for situations that can
happen when staying home alone, from unexpected
knocks on the door to making 911 calls,
& everything in between.**

**We kindly request parents attend with their kid(s) so
you can continue the conversation at home.**

Partnership of the Libraries in the Woods and the
U28 Community Network for Children Program

Summer Series of Music & Movement with Tom & Laurie

LOCAL AND WELL-LOVED MUSICIANS, TOM & LAURIE, WILL DELIGHT US WITH THIS HIGHLY INTERACTIVE BILINGUAL PROGRAM SPECIALLY CREATED FOR THE YOUNGEST AUDIENCE THAT WILL ENGAGE THE WHOLE FAMILY TO FIND THEIR VOICE WITH HAND GESTURES, DANCING, PUPPETS, CALL AND RESPONSE SONGS AND LOTS OF MOVEMENT.

PLEASE BRING A BLANKET OR CHAIR FOR OUTDOOR SEATING IF THE WEATHER IS NICE.

ALL ARE WELCOME!
